The struggle is real

- ★ “I have a lot of clothes, but no outfits!”
- ★ “I’m always late because I can’t figure what to wear”
- ★ “I have a small budget but I still want to look good”
- ★ “I need an outfit for this event but where do I begin?”
- ★ “I tear my room apart to find the right outfit”
- ★ “I feel like I recently wore this”

ChicAI

What is ChicAI?

- ★ **Smart Wardrobe App** - Organize, Catalog, and style your wardrobe with AI
- ★ **Personalized Outfit Suggestions** - A Personal Stylist at your fingertips.
- ★ **Free and Accessible** - Free to access and use on Android and iOS OSs.
- ★ **Effortless Fashion** - Simplify your daily outfit choices.

Features:

- ★ **Expand Your Style Horizon** - Discover new outfit combinations.
- ★ **Effortless Fashion** - Eliminate guesswork from your daily wardrobe choices.
- ★ **Manage Laundry** - Mark clothes as “in laundry” to track rotation.
- ★ **Customize Outfits** - Create custom outfits by grouping clothing items.

Future Updates

- ★ **Learning Your Style** - Analyzes your wardrobe to understand your taste.
- ★ **Adapting to Your Needs** - Considers your lifestyle, events and weather.

First Time User Expectation

- ★ **Easy Onboarding** - User-friendly setup to guide towards cataloging wardrobe.
- ★ **Personalized Style Insights** - Receive immediate personalized suggestions.
- ★ **Effortless Navigation** - Simple to explore all features.
- ★ **Customizable Experience** - Tailor the app to match your lifestyle.
- ★ **Instant Gratification** - Experience convenience of smart fashion on day one.

Thank you!
